## USER PERSONA

# Samson Balogun

### Bio

Samson is a 30 year old banker with a busy work schedule who wants to stay fit, build muscle mass, and maintain a healthy lifestyle. Despite his strong interest in fitness, he struggles with long working hours, inconsistent routines, and daily responsibilities making it difficult for him to exercise regularly. He values simple, effective workout solutions that fit into his schedule and help him achieve his goals consistently.

### GOALS

- For Strength
- To build more body mass
- To have a healthy life

### FRUSTRATIONS

- Not enough time
- Lack of consistency
- Feeling too tired after work to exercise

### MOTIVATIONAL KILLERS

- Too much exercises
- So much work and responsibilities
- Not enough machines for a particular program

# Empathy Mapping
